FRANCK MULLER

GENEVE

Founded in Geneva, Franck Muller is celebrated for its technical mastery, bold innovation, and distinctive design earning the title "Master of Complications." The Yachting Collection channels this spirit through a maritime lens, blending nautical inspiration with Swiss precision.

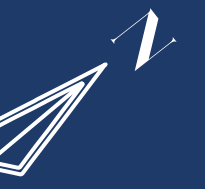

Franck Muller brings maritime elegance to life in the Yachting Collection. These timepieces, inspired by the sea and crafted in Geneva, offer a perfect balance of sophistication, sportiness, and freedom crafted for those who live with style, on land or at sea.
